

WEMZER

Products Catalogue

2024

An abstract graphic composed of multiple thin white lines that flow from the left side of the page towards the right. The lines are arranged in a series of parallel, slightly curved paths that create a sense of movement and depth, resembling a stylized wave or a series of overlapping planes.

Wemzer at a glance

WEMZER INDUSTRIES is a leading European brand in the automotive spare parts sector, dedicated to delivering OE-compliant, high-quality products designed to ensure precise fitting and optimal performance. Founded on the principles of performance, reliability, and safety, WEMZER has earned a trusted reputation as a partner to distributors worldwide.

Superior European Design and Quality

Our parts, designed in Europe, ensure exact OE replacement, prioritizing precision, durability, and safety.

Extensive Product Range

With 10,000+ SKUs across 15 categories, WEMZER serves Japanese, Korean, American, and soon Chinese vehicles.

Regional Fulfillment Center for Unmatched Availability

Our Jebel Ali Free Zone center, stocked with 250,000+ parts, ensures fast response and minimized downtime.

Flexible and Customer-Centric Approach

We offer flexible, partner-friendly policies for long-term success.

A Brand with Aspirational Value

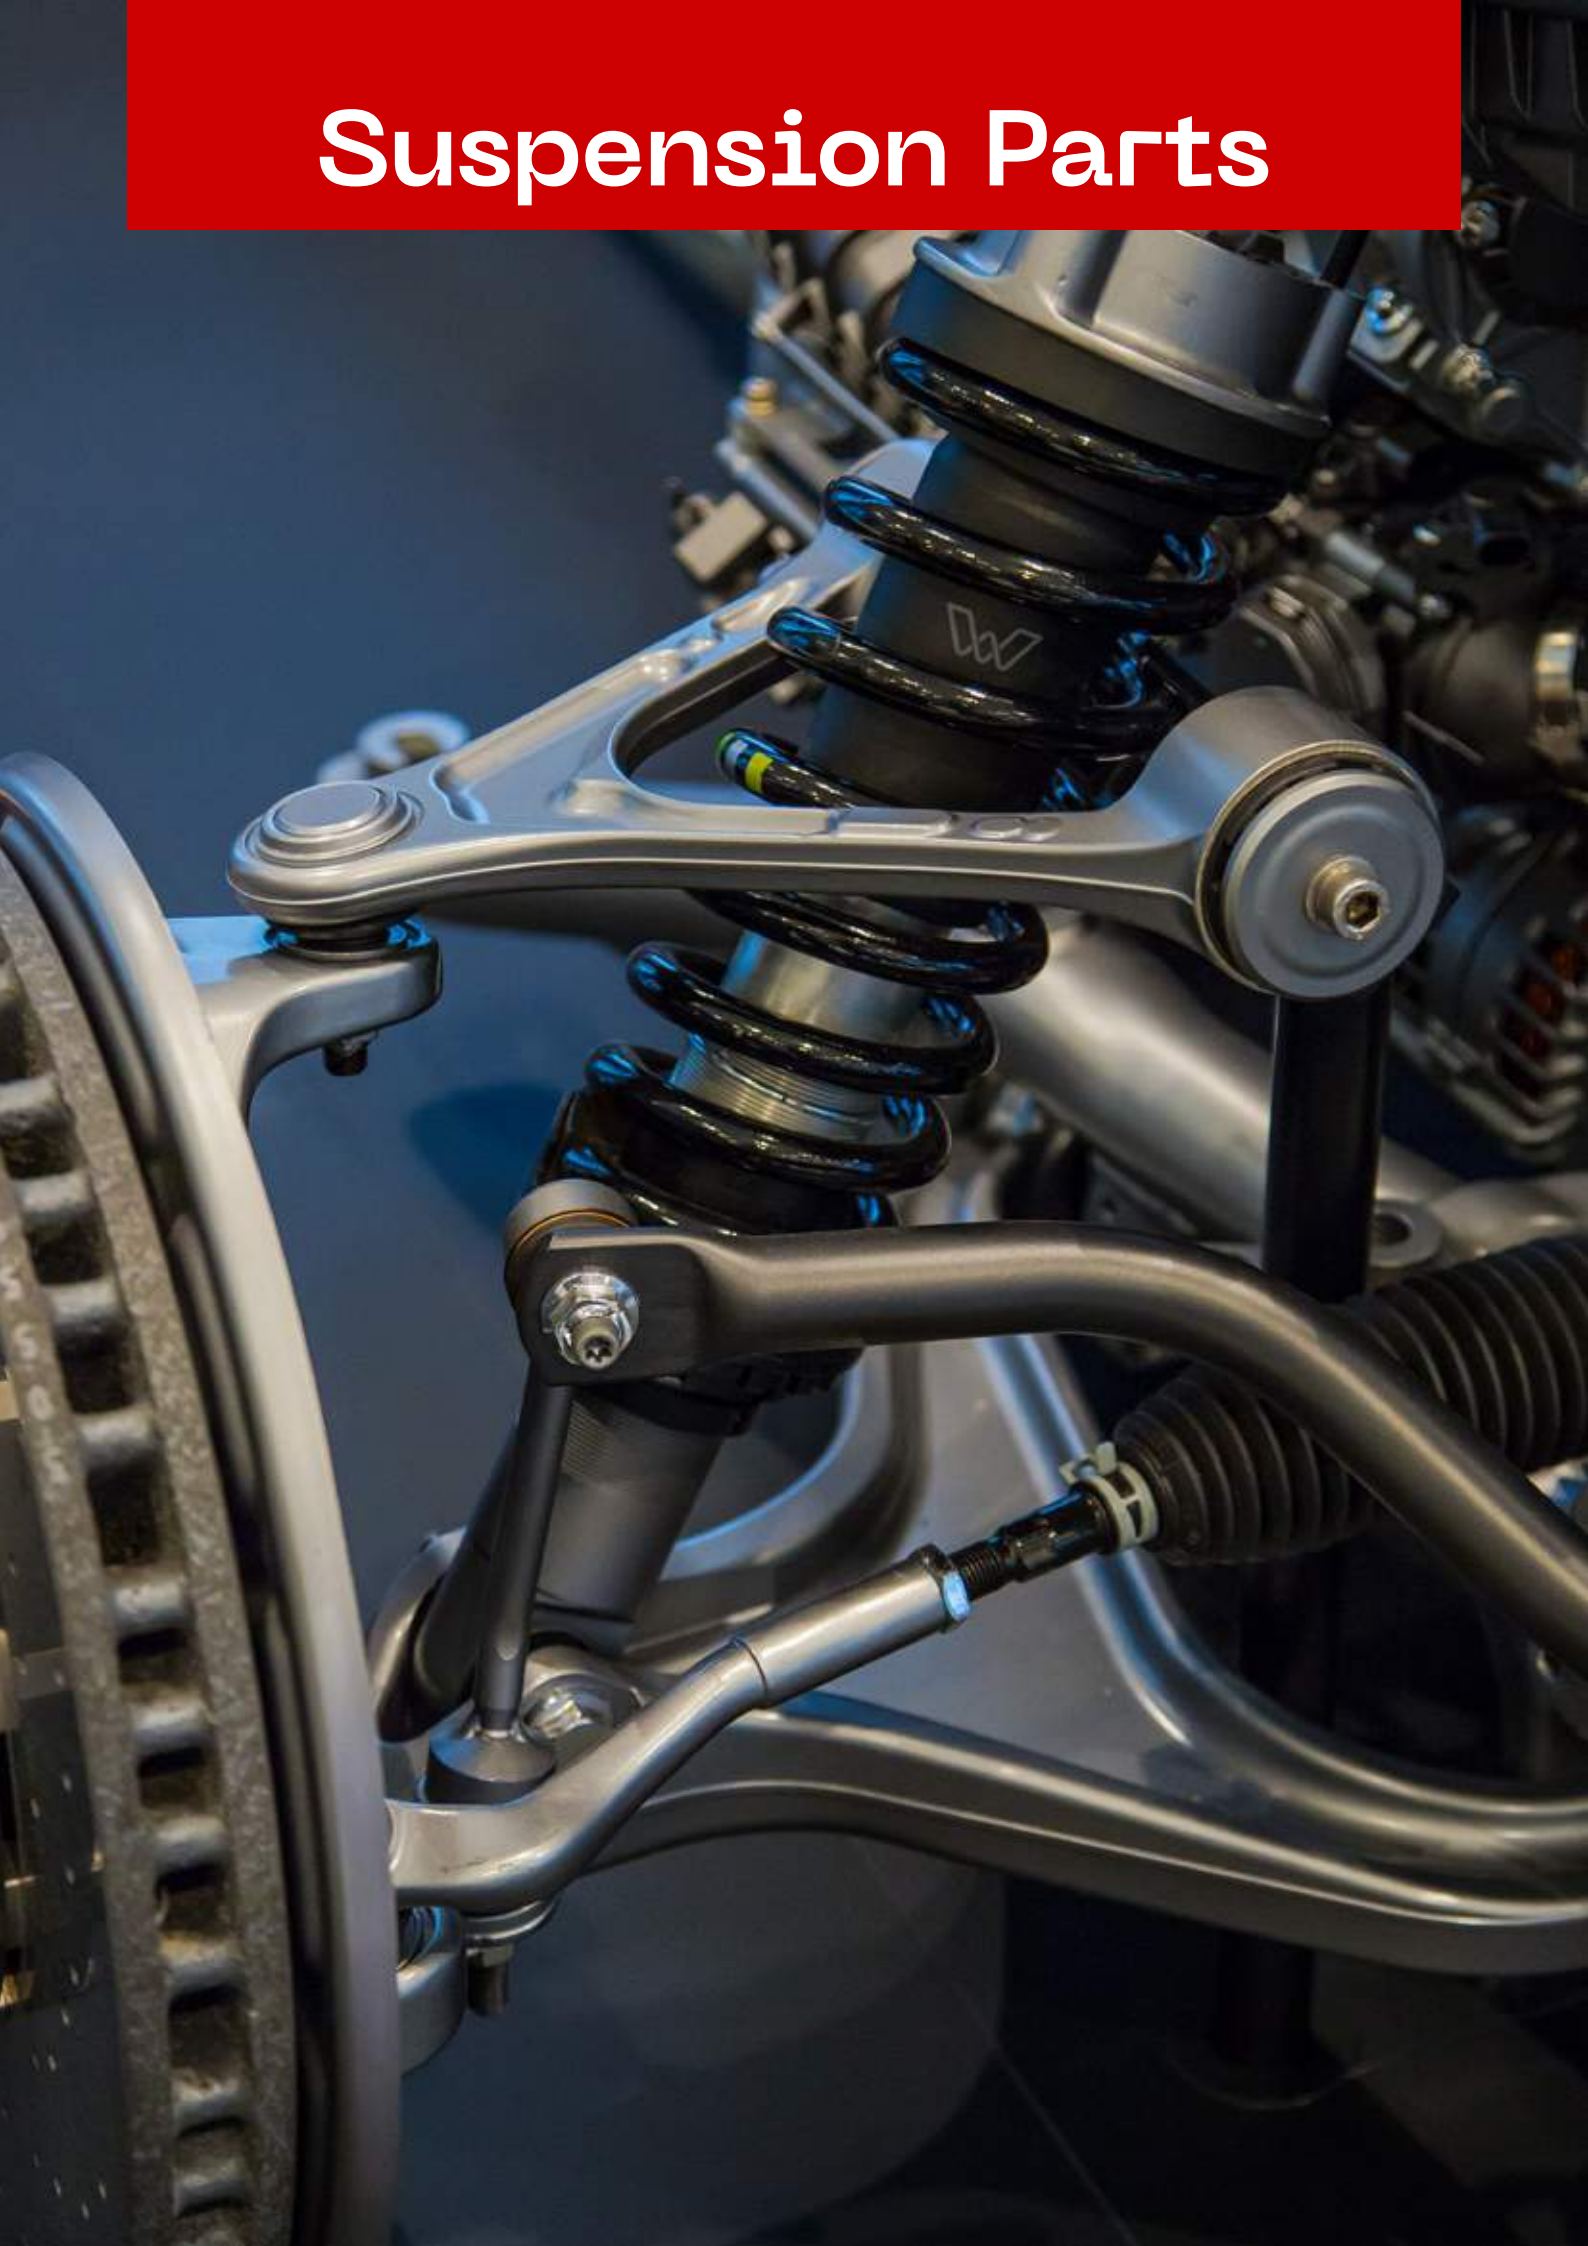

Beyond functionality, WEMZER aims to inspire through strong design and digital strategies.

Global Certifications and Compliance

WEMZER products meet GSO, SASO, and EU/CE certifications for international standards.
